**Subject:** Superior Barrel and Drum 104 Letter

Dear Ms. Hriczko,

Bayer CropScience (BCS) is in receipt of US EPA Region 2's CERCLA Section 104 letter requesting information relating to the Superior Barrel and Drum Superfund Site located at 798 Jacob Harris Lane, Elk, Gloucester County, New Jersey. BCS requests a 30-day extension to respond to EPA's information request because we are trying to determine if the data provided by EPA relate to BCS's predecessor company, Rhône-Poulenc, Inc. (R-P) or to Rhodia, Inc. (now Solvay) which was spun off prior to Bayer's acquisition of R-P. Per today's telephone conversation the due date will be extended from October 8, 2014 to November 7, 2014.

Best Regards,  
Bob Lockemer
